

Rotorua, New Zealand · 29 June - 2 July 2025

The ICTB2025 organising committee invites you to submit an extended abstract for consideration and inclusion in the technical programme. The technical programme includes a combination of international and local speakers, covering a range of topics relating to the aspects of construction, design, and durability of timber bridges.

Core topics

Topics of interest include but are not limited to the following:

- Structural design of timber bridges
- Sustainability & environmental impact
- On-site construction of timber bridges
- Maintenance, assessment and monitoring of existing or historical bridges
- Railway bridges, or slow traffic timber bridges
- Shared user timber bridges for pedestrian and/or cyclists
- Surfaces, coatings, and durability
- · Architecture and aesthetics of timber bridges

Requirements for extended abstract submission

 Please upload the abstract as a Microsoft Word file, and do not upload a PDF file, following the QR code. The initial abstract is limited to 2 pages in length and the written language must be

English. Please seek external proof-reading before submitting your document.

- You will be required to enter in the author/coauthors and affiliations separately during the submission process.
- You will be required to enter a bio/career history for the Presenting Author/s (maximum 100 words each).
- If you are submitting on behalf of the Presenter/s, please have their email address/s ready to include in the submission.

IMPORTANT: Once you have completed your submission, you will receive a confirmation email. If you do not receive this confirmation email, we have NOT received your submission. Please remember to check your spam/junk folders and contact the conference organisers should you need assistance at ictb2025@confer.co.nz.

General Information

Review and Notification to Authors

All extended abstract submissions will be peer reviewed for acceptance and publication. Full paper submissions will be requested for abstracts accepted for oral presentation.

Key dates

- Abstract submission deadline: 4 May 2024
- Author notification of acceptance: End October 2024
- Full paper submission deadline and early bird registration: 15 March 2025

Registration

All presenters are required to register and pay the registration fee in order to be included in the programme and to present in person at the event. Registration and payment of registration fee by presenters of accepted abstracts must be completed by the early bird registration deadline.

Publication

By submitting an abstract/paper, authors agree to the publication of chosen abstracts/papers on the conference mobile app, book of abstracts and conference proceedings or similar.
